

Eric Kavanagh

CEO, Bloor Group

Eric Kavanagh is the CEO and Co-Founder of The Bloor Group, a hybrid Media/Analyst firm that closely tracks the world of enterprise computing. A career journalist, he helped evangelize the need for transparency in federal spending back in 2005, post-Katrina. His vision for Citizen Auditors caught the attention of several Washington insiders, and within a year, The Federal Funding Accountability and Transparency Act of 2006 (S. 2590) was signed into law. He is a New Media expert who has launched numerous programs, including DM Radio, The Briefing Room, Hot Technologies, and the InsideAnalysis Tech Lab. His radio shows are currently syndicated coast-to-coast in the United States, in major markets like Chicago and Los Angeles, as well as Atlanta, Salt Lake City, Reno, Milwaukee and several other cities. He is respected as an expert in Big Data, Open-Source Software, Open Data and Open Government.
